

Pro Tools Operator

Exciting, new and immediate opportunities are presented for the right candidates in the television post production industry.

ONEXTRA Inc. is a premium media accessibility service provider to major Canadian Broadcasters and Producers. Our team is presently looking for talented individuals to join our success story, who are aiming to use their audio editing skills and poised to challenge themselves with new technology to deliver high quality captions on live television.

This exciting new adventure will set you on a training path to learn and master new skills. Best candidates will land themselves a full-time job in downtown Toronto's Television Industry.

Job Duties:

- ❖ Record voice over sessions.
- ❖ Apply effects and mix audio tracks.
- ❖ Prepare deliverable outputs according to client specs.
- ❖ Participate in ongoing trainings as needed.

Job Requirements:

- Advanced knowledge of Pro Tools is a must
- Proficiency in all phases of audio post-production and engineering
- Able to work flexible hours, including nights, weekends, and holidays
- Reliable, punctual and a team player
- Able to work in a fast-paced environment with minimal supervision
- Detail oriented with ability to multitask and prioritize workload
- Excellent organizational skills
- Technical aptitude
- Able to learn new systems quickly

We offer:

- Full-time salaried job opportunities
- Complete in-house training, new skills and experience
- Comfortable workplace location in Liberty-village
